With dozens of beautiful, original designs and detailed explanations, this Chinese paper cutting book is a great reference for beginners. Paper cutting is a popular papercraft in today's multicultural world, embracing a great variety of themes, designs and images. In China, its birthplace, it is regarded as an elegant traditional folk art. Chinese paper cuts reflect many aspects of life, including prosperity, health and the harvest. Paper cuts are typically used to decorate walls, windows and doors, or as patterns for embroidery and lacquer work. Rich in cultural tradition, with a long history of over 1,500 years, Chinese paper cutting was listed as a UNESCO Intangible Cultural Heritage in 2009. Easy to learn, paper cutting only requires paper and scissors which can be used to create a wide range of interesting paper cut outs. Instruction and inspiration can be found in *The Beginner's Guide to Chinese Paper Cutting*. This Chinese crafts book introduces all the basic elements of Chinese paper cutting, including the necessary preparation, basic techniques, simple practices and appreciation. The book's clear directions and illustrations will allow anyone to explore the art of paper cutting and start making their own works of art. Craft book which outlines the techniques of paper-cutting in a series of photographs. Also includes 50 patterns which range from traditional to modern. Paper Panda, aka Louise Firchau, is a papercutting superstar, with thousands of fans worldwide eager to purchase her distinctive and highly sought after papercut designs. In this gorgeous book, she shows you not only how its done in easy-to-follow steps, but also provides over 20 papercutting templates to try out for yourself. The book begins with a design section in which Paper Panda provides a personal account of what inspires her, how she works, and how Paper Panda came about. This is followed by the techniques section, in which step-by-step demonstrations illustrate various techniques, including infilling. There follows a fascinating insight into how the author creates finished artwork suitable for papercutting, then how to make the template itself, and how to use the finished papercut to make cards, framed pictures, and so on. There are 20 papercut projects in the book; five from Paper Panda herself and five each from three of Paper Pandas friends and colleagues (Sarah Trumbauer, Louise Dyer and Suzy Taylor) all accomplished papercutters in their own rights. Each project consists of a template, which is reproduced at full-size at the back of the book, and a finished paper cut, together with some simple instructions. The designs are simple enough for beginners, though attractive and interesting enough to inspire more advanced papercutters. The projects themselves include cards, decorations, and mounted and framed pictures to hang on the wall, all using a variety of coloured and patterned papers to show off Paper Panda and friends distinctive and beautiful designs to their best advantage. In September 1939, the tanks of Panzer-Regiment 5 swept into Poland, a devastating part of the German blitzkrieg that opened World War II with a terrifying display of military force. The following spring, the regiment rumbled across France, again showing the destructive power of the panzer. But the unit's greatest fame would come in the North African desert, where Panzer-Regiment 5 joined Erwin Rommel's vaunted Afrika Korps as it battled the British back and forth beneath the scorching sun of Libya and Egypt. "Projects first appeared in Making magazine" --Title page verso. This story is about two sisters, a walk in the snowy forest, and the appearance of an enchanted rabbit.
